

# Veritas School | Vanguard Volunteers

## Volunteer Information and Opportunities

Statistics show that most private schools require approximately 5,000 hours of volunteer time in order to provide the vital support necessary for students, staff, and programs. We have found this fact to be very true at Veritas. There are numerous opportunities, both at home and on campus, for you to be a vital part of that support team. Each family is asked to log in 20-40 or more hours of volunteer service per school year (20 hours per single parent family).

We understand that everyone's schedule is different, and we can help you find a way to meet your time constraints and still experience the many blessings that come with volunteering. This form will enable us to match up our student/staff/campus needs and activities with your family's generously offered skills and time.

I. Please check those areas in which you and your spouse would like to serve. If you have not been contacted to volunteer by Christmas break, please email Volunteer Coordinator (VC) [Athlynn Reeves](#) or you may email the staff contacts listed for each volunteer activity below directly by clicking on the activity.

| <input type="checkbox"/> 12 <sup>th</sup> Grade                     | Enjoy this year with your senior!   |

III. To log your volunteer hours go to the [Volunteer Log](#) found on the Veritas website. There are only six questions to answer. It is very important that we keep track of how many hours our families donate. Thank you for your time commitment, which is helpful in keeping tuition low.

**PARENTS, PLEASE KEEP FOR YOUR REFERENCE**
