Lands’ End School Code: 900136276
Our development of a uniform policy is driven by a desire to create and promote an environment of learning where dress is not a distraction to the educational process. The motivation for the policy has grown out of the following principles:

1. Our goal is to honor God in all we do, acknowledging the Lordship of Jesus Christ in our choices.
2. All human actions, including outward manifestations such as clothing, reveal and communicate the disposition of the heart at some level. It is our desire to address these heart issues in one uniform policy rather than seeking to anticipate and curb the numerous manifestations of it that surface throughout the year with a looser dress code.
3. Clothing represents the vocational calling of a person, and inherent in the uniform policy is a desire to create an environment where undue attention is not drawn to specific students. The neat appearance created by a uniform enhances a ready-to-learn atmosphere.
4. Uniforms help engender a cohesive presentation of the students in our school. When our students are in uniform it communicates, aesthetically, that they are part of the same team, working toward the same goals. The student is part of a group identity that strives for excellence, and the code establishes a tradition toward that end.
5. The uniform code should save parents money. The uniform code de-emphasizes the social impact of dress and helps focus the students on character and academic issues.
6. The uniform code addresses security. On field trips, students in uniform aid the teachers in keeping track of everyone. On the playground or in the school, teachers and staff can clearly identify students from outsiders. Students are expected to be in uniform while on campus unless specified otherwise by the administration. The administration is responsible for the interpretation of the policy, and the enforcement of the policy is the responsibility of parents, administration, and staff.
Veritas School is a workplace for students as well as for teachers. Students should dress in such a way as to demonstrate respect for the school, staff and their fellow students.

Veritas uses Lands End and Dennis exclusively for uniforms (no other vendors permitted). Veritas uniforms are listed at Lands’ End Online www.landsend.com/school (Code# 900136276)
