<http://www.idealists.org/>
www.volunteermatch.org
www.servicelearning.org/instant_info/kids_teens/index.php
www.networkforgood.org/volunteer/
<http://youthnoise.com>

12. Self-Assessment/Career-Placement Tests (Provided by Tami Peterson):

Do What You Are - a Myers-Briggs abbreviated assessment that's great for beginning conversations about personality and how that impacts college and career selection.
<https://www.16personalities.com/free-personality-test>

StrengthsQuest - can be helpful as you continue to discuss with students what they are seeing as applications of their strengths. \$9.99 per student at <https://www.strengthsquest.com/>

Career Interest Profiler - based on the Holland Interest Inventory; connects to careers on the O*Net. Free version (be sure to print the results) at <https://www.mynextmove.org/explore/ip>

Learning Style Inventory - on Naviance; Free version
<http://www.educationplanner.org/students/self-assessments/learning-styles-quiz.htm>

Highlands Ability Battery – a very in-depth and well-explained program for students.
<http://www.highlandsco.com/>

YouScience – very user-friendly program that many high school counselors now recommend:
<http://www.youscience.com/>

13. Athletics
