

Veritas School | Admissions Process

New Family Application

Selection and composition of the Veritas student body is second only to staff selection in the impact it has upon the school's mission. The atmosphere that Veritas seeks to foster depends in great measure upon the similarity of biblical convictions and principles taught and lived out in many of the homes of our students. As the Lord blesses us with growth and change, we want to do all we can to maintain that atmosphere.

Though not required to be Christians, the parents of students at Veritas should have a clear understanding of the biblical philosophy and purpose of Veritas School. This understanding includes a willingness to have their child exposed to the clear teaching (not forced indoctrination) of the school's Statement of Faith in various and frequent ways within the school's program.

The parents should be willing to cooperate with all written policies of Veritas School. This is most important in the area of discipline (see Discipline Policy and Basic School Rules in the parent handbook) and school work standards, as well as active communication with the respective teacher(s) and administration.

Veritas School does not unbiblically discriminate on the basis of race, sex, color, or national origin in the administration of its educational policies, admissions policies, and scholarships programs, athletic programs and other school-directed programs.

ADMISSION REQUIREMENTS

- A. A child must have reached the age of five years by September 1 of the fall in which he/she would be entering kindergarten, and three years by September 1 for our Afternoon Enrichment Program. He/she must be fully toilet trained (able to use the toilet and wash hands independently).
- B. A child entering first grade must have reached the age of six years by September 1 of the fall in which he/she would enter Veritas.
- C. If a child has successfully completed the previous school year and his/her school work and behavior compare favorably to the comparable grade at Veritas, the child will be placed in the grade for which he/she applied. However, if there is evidence to show that the child may not be adequately prepared for the next sequential grade it may be deemed best for the child to be placed in the previous grade.

Veritas School | Application Form Part I

New Family Application

The following is the foundation of beliefs on which Veritas School is based. They are also the key elements of Christianity that will be unapologetically taught in various ways through all grade levels. The substance of these statements is that which will be considered *primary doctrine* at Veritas School. Secondary or divisive doctrines and issues will not be presented as primary doctrine. When these secondary types of doctrine or issues arise, they will be referred back to the family and local churches.

1. We believe the Bible to be the only inerrant, authoritative Word of God.
2. We believe that there is one God, eternally existent in three Persons: Father, Son and Holy Spirit. He is omnipotent, omniscient, and omnipresent.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for the salvation of lost and sinful men, regeneration by the Holy Spirit is absolutely necessary.
5. We believe that salvation is by grace through faith alone.
6. We believe that faith without works is dead.
7. We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life.
8. We believe in the resurrection of both the saved and the lost, they that are saved to the resurrection of life and they that are lost to the resurrection of damnation.
9. We believe in the spiritual unity of all believers in our Lord Jesus Christ.

Answer Key to Questionnaire Part II

Why are we giving you an ‘open-book’ test? You get the questions and our answers ahead of time because our goal is that you truly understand our philosophy. Every one of the questions deals with issues and concerns that affect the operation of Veritas School.

The Scriptures require parents to be active leaders in the education of their children, but that responsibility does not include trying to re-shape an entire class or institution to fit their individual preferences. Positive criticism and ideas are always welcome, especially when they are in line with our overall adopted philosophy.

You may wholeheartedly agree with our answers, or you may not agree at all. Essentially, you have three reasonable courses of action, depending upon your position. First, you can disagree and decide not to enroll your child and choose another school. Second, you can disagree, be honest about your disagreement, but plan to cheerfully comply with our philosophy of education. Third, you can agree and understand that you are free to make objections later, if any should arise.

We are eager to answer any questions that may help you make your final decision.

Individual parents may have objections to one facet of the curriculum. They may love the reading program, but don't see why their child has to memorize, or take Latin, or follow the uniform code. We have made choices concerning our curriculum, and we think they have been good ones. We expect parents to support them. We are constantly seeking to enhance the curriculum. However, no aspect of the curriculum is optional, and school policies should be willingly obeyed. If your attitude is not supportive, your child will pick it up, and this will be reflected in his/her work and attitude at school.

Conflicts should be resolved at the lowest level possible, in accordance with Matthew 18. If you have a problem with a teacher, a board member, or other parents, you must first meet with the person involved; if an agreement cannot be reached, both parties should then approach the next level of authority. You should not gossip with other parents about a problem.

Answers to this question will vary from family to family and child to child. But we would like to get an idea of what values are important to your family.

Wise parents will not contribute to modern society's worship of success by paying too much attention to the outward marks of achievement. Our goal is for every student to do his best, to work up to his potential in every area. Not every student can high-jump seven feet and not every student can make the honor roll at Veritas School. All students have their strengths and their weaknesses.

Veritas School | **Application Form Part II**

New Family Application

Answer Key Continued

One of Veritas School's greatest strengths is academic excellence. Our curriculum goals demand much effort from every student. Parents of students who must work harder to keep up with the academic demands may well need to limit extracurricular activities and insist on completion of homework on some nights. We don't work academics around our extracurricular activities; studies come first.

We have set certain guidelines for homework within the various grade levels. We base these guidelines on what we have come to believe are reasonable, necessary amounts for most students. We also highly value family time and will do all we can to respect it. If your student uses the time given in class to work on assignments, normally he/she should not have an excessive amount of homework.

Students transferring in and out of Veritas School often find that good grades are harder to come by at this school. A grade of "C" may represent average achievement at Veritas, but may also represent excellent effort by a given student. That student should not be made to feel inferior by a parent's expectation for higher marks. If you want uniformly high grades, this may not be the school for you. If you want high achievement, it is.

A teacher's attention is never going to be evenly divided among students, nor is a parent's among his/her own children. But there is a point beyond which we are being unfair to the compliant majority. This is a small school with a conservative budget and limited resources, and we simply cannot be all things to all people.

There is no right answer here, of course. We want to know what is important to your family.

The goal of the *Afternoon Enrichment Program (AEP)* is to lay a foundation for academic, social, and spiritual success for young children who are attending or will attend Veritas School. Young children are able to acquire the skills necessary for success in school when they are offered activities and experiences that are language rich, hands-on, interesting and highly engaging. We have created a rich thematic curriculum that is fun, relevant, and developmentally appropriate. The materials and activities offered are adjusted according to the developmental ability of each child. We have had great success with young children learning math skills, phonemic skills and fine motor skills, as well as history or science knowledge by utilizing memorization through activities and songs. Children who are exposed early to this type of environment will be able to achieve success that will carry on throughout their educational years.

AEP is taught by our kindergarten teacher, Kami McNeill, who has had over 20 years of classroom experience. Her joy and passion is working with the youngest learners. Kami says “There is nothing more exciting than to watch a child’s eyes light up when they recognize their first words and can count to 100 by ones, fives, and tens!” Kami and her husband have four grown children and eight grandchildren. Her creative and enriching curriculum is full of interactive and developmentally-appropriate activities.

New Family Application

ENROLLMENT FEE – An enrollment fee of \$200 per family is due upon acceptance.

TUITION – Veritas School must budget carefully each year to offer the very best education possible. Our teachers sign work agreements and textbooks and materials are purchased based upon student enrollment commitments. Veritas School relies on the promises made by parents and guardians to pay the tuition as listed in the Enrollment Contracts they sign. Our tuition rates do not cover the full cost of a Veritas School education.
