

FOURTH GRADE

CULTIVATING WISDOM, VIRTUE AND GODLINESS

THE TRIVIUM

The three parts of the Trivium are:

Grammar – memorizing the basic facts of a subject

Logic – understanding the relationship of those facts to each other

Rhetoric – knowing how to effectively communicate this knowledge

CURRICULUM

The curriculum during the elementary years works to apply the Trivium of grammar, logic and rhetoric in age-appropriate ways. Our elementary curriculum concentrates on the development of memory and language skills while teaching all subjects. Students in the elementary grades study English, Latin, the Bible, history/ geography, science, mathematics, and literature.

All students also participate in classes in art, music and P.E. throughout their elementary years. We consider these areas of study as critical to the development of the whole person.

WELCOME TO FOURTH GRADE!

Students in fourth grade will build on their knowledge of Oregon history from second grade, complete with a pioneer trip in the spring. The class entomology project is always exciting as students find creative ways to study and showcase insects. Students will read literature from C.S. Lewis and more and will begin to learn division. A highlight of the year is the field trip to the Oregon State Capitol in the spring, often at the cherry trees' peak bloom!

Alissa LaBrie
Fourth Grade

Todd Harris
Head of Lower School,
Latin

Marj Hegeman
Music

Jeana Linhart
Art

Mark Wagner
3rd-6th P.E.

Luba Lee
Elementary Aide

Desiree Leahy
Elementary Aide

ELEMENTARY SCHEDULE

8:30

School begins

10:00-10:15

Recess

11:30-12:15

Lunch & Recess

2:45

School Ends

Each week, elementary students will also participate in:

P.E. Classes— 30 minutes, twice weekly

Music Classes— 30 minutes, twice weekly

Art Class— 1 hour, once a week

Elementary Assemblies take place throughout the year on Fridays at 8:30 am.

FOURTH GRADE HIGHLIGHTS

READING: *Voyage of the Dawn Treader*, *Number the Stars*, *The Phantom Tollbooth*

MATH: division

SCIENCE: Earth’s moon, botany, entomology with insect project

HISTORY: American history from the Revolutionary War to Modern America

BIBLE: Major and minor prophets, beatitudes, attributes of God, books of Old and New Testament

FIELD TRIPS: Oregon State Capitol, OMSI, pioneer trip

ART: Kindergarten through 4th grade students learn basic art techniques, vocabulary, and color theory. At the 3rd through 4th grade stage, students delve a little deeper in the study of artists as they copy master works, or create their own designs as they are inspired by viewing teacher demonstrations and master works.

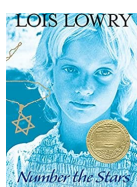

MUSIC: Students have music classes twice a week, where they learn various rhythmic elements, Sol-fa, major and minor scales, chords and more. All students perform with their class at our Christmas and Spring concerts. 3rd-5th grade students can also participate in our Treble Choir.

PE: The goal of K-6th grade PE is to impart the importance of maintaining a healthy body for the glory of God and developing a desire for lifelong fitness. Each class emphasizes respecting differing abilities, showing kindness to others, and trying one’s best rather than striving to be the best. Monthly PE units include soccer, baseball, jump rope, volleyball, basketball, dodgeball, floor hockey, juggling, and stacking cups.

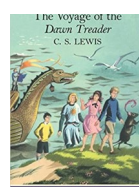

EXTRACURRICULARS: Students can participate in Garden Club, After-School Art, Guitar Lessons, Chess Club and more

PARENT-TEACHER CONFERENCES: Parents have the opportunity to sit down with their student’s teachers in November and February.

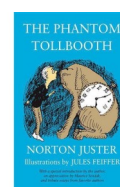

FOURTH GRADE LITERATURE READING LIST

Number the Stars
Lois Lowry

The Voyage of the Dawn Treader
C.S. Lewis

The Phantom Tollbooth
Norton Juster
